Irakaskuntzako materialak = El folclore infantil en Euskal Herria. Materiales para su enseñanza** (Folklore for children in the Basque Country. Teaching materials) (Orig. eu/es)

In: *Jentilbaratz*. 13, 1-541

Abstract: The importance that education has had in the world of children by means of the teaching of transmitted traditions has practically been overwhelmed by the new technologies and social changes. Instilling part of the legacy handed down to the new generations, a legacy based on stories, songs, games and dances will be the basis of knowledge for the future.

Key Words: Children's Folklore. Education. Custom. Mythology. Song. Game. Dance. Costume.
