**Abstract:** This book reveals some details of Juan Garmendia Larrañaga's life. The following pages contain the abbreviated result of the informal talks between the ethnographer and the author of the book. Juan Garmendia Larrañaga, who was born in Tolosa, tells us about his work, speaks about politics, religion, and comments on the men and women who have exerted an influence on his life. By means of this small token of Juan Garmendia Larrañaga's rich personality, the reader will be able to appraise the human and cultural quality of this Basque scholar who adopted ethnography as his working tool.

**Key Words:** Ethnography. Religion. Politics. Vida. Reflections. Conversations. Tolosa. Basque Country.
