In: *Aginaga. Errioko jarduerak eta bertako hiztegia*. 1-277

Abstract: This book has been divided into three parts. The first part is about the activities of the river and the close relationship that the people of Aginaga maintained with the river is shown, in times when they made their living from the river and when they made the river live. The second part provides a vocabulary that is as typical as it is rich, with names of places, plants, fish and birds. And finally, some peculiar, clear and appropriate expressions, which, from one century to another, have been orally transmitted.

Key Words: River. Fisheries. Transport of sands. Washing stones. Boat building. Pier. Events. Vocabulary.
