Dear Snr Arizmendi-Arrieta:

Thank you for your letter of 13 August. I should like to come to interview you on Wednesday 7 November. I should need about half a day to talk to you, and will bring a photographer with me to take some pictures for the article. I should also like to see something of the school. On the next day, I should like to talk to some of the co-operative managers and some of the co-operative workers. Can you please confirm that this date will be suitable?

Looking forward to meeting you.

Sincerely,

David A. Clutterbuck
