Mr. J. A. Bachrach,
Head, Translation Department,
Monterey Palace,
Avenue Monterey, Bld. Joseph II,
Luxembourg-Ville (Grand Duchy).

Dear Sir,

This is certify that I have known Mr. Jack Chamberlain for over 30 years. During this time I have entrusted him occasionally with the translation and presentation to important British publishers (e.g., The Times of London, New Statesman, etc.) of material appertaining to the Basque Government in exile.

I am sure you will readily appreciate that this responsibility was given to Mr. Chamberlain because we could rely upon his accuracy and conscientious application to the work involved.

Yours Faithfully

President
