Dear Marian Botton:

On the 1st of July I shall arrive in London where I shall stay until October practising English. I shall live in the Rectory of Our Lady of the Rosary, 70 Knowle Road - Stockwell S.W.9. Once at home I shall write to you again in order to arrange a visit to you.

I shall feel very happy to see you and your family after so long time I saw you at Estella. Meanwhile all my best wishes.

Yours truly,

Edwardo Ryan Pbro
