The Director,
H.M. Prison,
Pentonville, N.

Dear Sir,

We are writing to you on behalf of the Rev. Canon
A. de Onaindia, who is now in New York.

You may remember that he visited the prisoner,
Victoriano Martinez, and was endeavouring to trace his rela-
tives in Spain. We are now enclosing a translation of a
letter received by Canon Onaindia from the Archbishop of
Valencia, in which it is stated that Martinez's mother is
living and anxious for news of him. Her name is Sra. Dolores
Vanacloy Martinez, Aldea de Hortunas, Valencia Spain. We
trust that you will be kind enough to explain the letter to
Martinez.

Yours faithfully,

A. de Gondra
Delegate.

Translation of letter from Archbishop of Valencia,
Mgr. Olachea Marcelino

Sr. A. de Onaindia,
Canon of Valladolid.

Dear Sir,

In reply to your letter of the 10th instant, and after making the appropriate inquiries, I beg to inform you that Victoriano Martinez Vanacloy, who lived in Valencia, Calle Colon 62, has no relatives in this town. But as your letter said that a sister of the said Victoriano Martinez lived in Requena we have tried to find her, and we have learned that this man's mother is living, called Dolores Vanacloy Martinez, but not in Requena but in Aldea de Hortunas, some 30 kilometres from Requena. She says she wrote several letters to her son and only received an answer to one of them. The poor woman is very anxious to have news of her son, as it is three years since she has heard from him.

With blessings,

MARCELINO.
