Dear Sirs,

I am a journalist and I am very interested in receiving information about the Basque cause. I would especially appreciate it if you could send me copies of any newsletters or pamphlets about your cause. Either English or Spanish language materials are fine, as I read English, Spanish & French. I had heard that there were two publications, one called 'Euzko Deya' and the other called 'Gudari'. I have heard some of your broadcasts over Radio Euzkadi and I find them very interesting.

I would appreciate any information that you could supply. If possible I would appreciate an Air Mail reply as surface mail can take several months to reach me, and I would like to start my article soon.

Thank you-
