Querido Don Manuel,

Sinceramente la agradezco su carta del día 2, en la que me extiende su simpatía en la defunción de mi Madre, qepd. Lo bueno es que está con Dios.

Aquí le envío un recorte que le va disgustar no menos de lo que me disgustó a mi. Se trata de un anuncio de la línea Swedish Lloyd. El "Daily Telegraph" ya notó este gaffe monumental, pero la cosa merece representaciones más duras.

Muy suyo,

F. G. Beith

This year go Christmas shopping in Spain

And have a luxury mini-cruise for as little as £19

The cut glass, leather goods and handicrafts of Northern Spain are world famous and make ideal Christmas gifts. So give the Oxford Street panic a miss this year, surprise your friends with really unusual presents, and have a wonderful winter holiday into the bargain.

There's just time to book

There are 9 sailing dates to pick from before Christmas so join us aboard the Patricia - or her sister ship, Hispania - 9,000 tons, stabilised, big ship comfort, three lounges, two duty free bars, superb restaurant, cafeteria, two

sun decks and masses of room to stroll and relax in.

The good life.

After a leisurely day, you can delight in the excellent cuisine and your favourite wine in the restaurant. Coffee and brandy. A few spins in the casino or on deck. A free feature film show. A drink or three - and a turn round the dance floor. Then a good long rest until breakfast. And don't forget the duty free shop.

From £19

A wonderful 4 day cruise holiday including a tour of the beautiful Basque countryside in a luxury air-conditioned coach. You'll never forget Cuernica, the most unspoilt town of the region, or the breathtaking views from the rugged coast road.

From £24
